

Online Simmental.com

The CSA On-Line tool is an internet-based system that allows members to instantly access their CSA information.

On-Line allows users to perform most of their day to day functions with the CSA from the comforts of home or anywhere in the world, 24 hours a day, 7 days a week.

Breeders can:

- Enroll their females
- Report their performance information
- Register calves
- Instant access to enhanced reporting features including
 - o Field data collection sheets
 - o Performance reports
 - o Cow herd reports
 - o Ultrasound reports
 - o Pedigree information
 - o EPD reporting
- View their account balance and billing information
- Access on-line help

On-Line is fully secured and password protected.
