

# CSA Rebates FOR 2024 DNA Program **DEADLINE | December 31, 2024**

## **Total Herd Enrollment** Heifer DNA Program

The CSA is offering a rebate for basic and genomically enhanced parentage panels on females born in 2022 (“K” 2 year old heifers) that are enrolled in the 2024 CSA Total Herd Enrollment [THE] program.

DNA test kits must be ordered by December 31, 2024 and submitted to the lab by February 1, 2025.

CSA will credit \$10 per animal to active CSA member accounts by April 1, 2025.

DNA tests are sire verified at a minimum.
