Test Type _____

It is your responsibility to ensure the bulls you purchase have DNA on file.
The following *Type of Test* appears on the front of the registration certificate.

- *Type of Test* *GOF – Genotype on File (minimum requirement for natural service sires)
- *PCS – Parentage Confirmed to Sire
- *PCD – Parentage Confirmed to Dam
- *PCB – Parentage Confirmed to Both Sire & Dam (minimum requirement for AI bulls)

AI Sires, Natural Service Sires and Donor Dams require to be 50K tested at minimum.
