

CSA Rebates FOR 2024 DNA Program **DEADLINE | December 31, 2024**

TOTAL HERD ENROLLMENT Heifer DNA Program

The CSA is offering a rebate for basic and genomically enhanced parentage panels on

A) females born in 2022 (“K” 2 year old heifers) that are enrolled in the 2024 CSA Total Herd Enrollment [THE] program.

B) Females born in 2023 (“L” year old heifers) that will be enrolled in the 2025 CSA Total Herd Enrollment (THE) program (deadline of December 15, 2024).

DNA test kits must be ordered by December 31, 2024 and submitted to the lab by February 1, 2025.

CSA will credit \$10 per animal to active CSA member accounts by April 1, 2025.

DNA tests are sire verified at a minimum.
